This is a tax that is proposed to be levied in the interests primarily of the Municipal revenue, which, it is alleged, has become crippled owing to the abolition of the loom-tax, and is inadequate for carrying out sanitary improvements. The proposed tax therefore stands in the same category as other taxes, such as octroi, by which the Municipality seeks to maintain its income; and has to be judged by the same considerations. Under these circumstances, is it necessary to insist upon the Municipality affording "conveniences" to the persons from whom the tax is to be levied, seeing that this is not a test that we apply to other taxes? The fact that the proposed tax will, if sanctioned, help towards carrying out sanitary works and other measures beneficial to the inhabitants, would seem to be a sufficient return or consideration for its imposition.

However, the President says it is proposed by and bye to provide platforms on which bottles will be put up.

Subject

Letter No. 264 dated the 23d September 1903 from the President of the Municipalities in the Kolar district regarding the levy of fees on cattle brought into the weekly market at Mulbagal.

In the above letter the President solicits sanction to the proposal of the Mulbagal Municipal Board to levy a fee of half an anna per head of cattle brought into the weekly mar in the town. The necessity for such a levy is stated to be that the Mohatarfa has not been revised for the last 15 years, that the income

the Municipality is very small and that Dulbagal is not a place of commercial importance.

2. The financial condition of this municipality according to the current year's Budget is :-

1, Opening balance =		1001
2, Receipts - =		3147
	Total =	4148
3, Expenditure -		3433
4, Closing balance =		715

The receipts under Octroi and Mohatarfa are respectively estimated at Rs 1357- & Rs 1620/-.

3 The amount that may be realized by the fresh levy has not been stated. The Board have, however, resolved "to consider afterwards" the question of providing a separate cattle enclosure.

~~Remarks for orders~~.

4 This ~~very~~ recommendation to levy fees having not been made in June 1893

Government declined to sanction the proposal pending the introduction of the new Municipal Regulations (vide G.I No. 1202 of 21-7-93). But on further representation, however, Government permitted the levy of fees at the weekly market at the following rates:-

(1) Every cart load -	0-1-0
(2) Horse or bullock load -	0-0-6
(3) Head load -	0-0-3
(4) Every bullock brought for sale - - -	0-0-3

20th May 1904, I have the honour
to state that when the tax on
Cattle brought for Sale at the weekly
market of Mulbagal was ordered
to be levied, the gathering of cattle
were so small that it was thought,
that if the rule were brought into
immediate effect the gathering
would dwindle still more. Hence
no taxes were levied till now. But

as.

as it is now reported that the cattle market is fairly well established, I request that sanction of Government may kindly be accorded to enforce the orders conveyed in Government Proceedings No. 7099 / L.T.4-93 dated the 19th October 1893, from 1st July 1904.

Copy of the Board's resolution on the Subject is hereunto Submitted

I have the honor to be,

Sir,

Your most obedient Servant,
